### **To Whom It May Concern:**

**It is my pleasure to highly recommend 7 Project to present their amazing program to any school. They came to our school on March 9 and presented a program to our 7<sup>th</sup> and 8<sup>th</sup> grade students. The performance had an enormous impact on our campus. Their presentation was very energetic and entertaining, but also encouraged the students to make the right choices in life and to treat their fellow classmates with more respect. Later that evening our campus FCA (Fellowship of Christian Athletes) sponsored a rally that around 350 students attended. Lives were changed and our campus has felt the difference of 7 Project.**

**Kyle and all of the speakers were so motivating. The students are still talking about the entire experience. It would be a benefit for any school and student to experience 7 Project. Please, contact me if you have any further questions,**

**Sincerely,**
